INTERSTATE COMMERCE COMMISSION

ASSIGNMENT OF LEASE AND AGREEMENT dated as of July 5, 1977 (hereinafter called this Assignment), by and between THE CONNECTICUT BANK AND TRUST COMPANY, not in its individual capacity but solely as trustee (hereinafter called the Lessor or the Vendee) under a Trust Agreement dated as of the date hereof (hereinafter called the Trust Agreement) with HFC Leasing Inc. (hereinafter called the Beneficiary) and CONTINENTAL ILLINOIS NATIONAL BANK AND TRUST COMPANY OF CHICAGO, as Agent (hereinafter called the Vendor) under a Participation Agreement dated as of the date hereof.

WHEREAS the Vendee is entering into a Conditional Sale Agreement dated as of the date hereof (hereinafter called the Security Documentation) with ACF Industries, Incorporated, and Whittaker Corporation (Berwick Forge & Fabricating Division) (such corporations being hereinafter individually called a Builder and collectively called the Builders), providing for the sale to the Vendee of such units of railroad equipment (hereinafter called the Units) described in Annex B thereto as are delivered to and accepted by the Vendee thereunder;

WHEREAS the Lessor and Chicago and North Western Transportation Company (hereinafter called the Lessee) have entered into a Lease of Railroad Equipment dated as of the date hereof (hereinafter called the Lease), providing for the leasing by the Lessor to the Lessee of the Units; and

WHEREAS, in order to provide security for the obligations of the Lessor under the Security Documentation and as an inducement to the Vendor to invest in the Conditional Sale Indebtedness (as that term is defined in the Security Documentation), the Lessor agrees to assign for security purposes its rights in, to and under the Lease to the Vendor;

NOW, THEREFORE, in consideration of the premises and of the payments to be made and the covenants hereinafter mentioned to be kept and performed, the parties hereto agree as follows:

1. The Lessor hereby assigns, transfers and sets

over unto the Vendor, as collateral security for the payment and performance of the obligations of the Lessor as Vendee under the Security Documentation, all the Lessor's right, title and interest, powers, privileges, and other benefits under the Lease, including, without limitation, the immediate right to receive and collect all rentals, profits and other sums payable to or receivable by the Lessor from the Lessee under or pursuant to the provisions of the Lease whether as rent, casualty payment, indemnity, liquidated damages, or otherwise (such moneys being hereinafter called the Payments), and the right to make all waivers and agreements, to give all notices, consents and releases, to take all action upon the happening of an Event of Default specified in the Lease, and to do any and all other things whatsoever which the Lessor is or may become entitled to do under the Lease; provided, however, that, so long as no Event of Default or event which with lapse of time and/or giving of notice provided for in the Lease could constitute an Event of Default under the Lease shall have occurred and be continuing, and without in any way limiting the right of the Vendor to exercise the rights assigned to it hereunder on its own without the consent of the Vendee, the Vendee shall be entitled to exercise any right of the Lessor under the Lease if the holders of interests totaling more than 50% of the aggregate Conditional Sale Indebtedness then outstanding shall have consented to, and the Vendor shall have been notified by the Vendee or the Beneficiary of, such exercise. In furtherance of the foregoing assignment, the Lessor hereby irrevocably authorizes and empowers the Vendor in its own name, or in the name of its nominee, or in the name of the Lessor or as its attorney, to ask, demand, sue for, collect and receive any and all Payments to which the Lessor is or may become entitled under the Lease, and to enforce compliance by the Lessee with all the terms and provisions thereof. Notwithstanding the foregoing, the Payments shall not be deemed to include, either before or after an Event of Default shall have occurred and be continuing under the Lease, payments made by the Lessee to the Vendee or the Beneficiary pursuant to § 16 of the Lease.

The Vendor agrees to accept any Payments made by the Lessee for the account of the Lessor pursuant to the Lease. To the extent received, the Vendor will apply such Payments to satisfy the obligations of the Lessor under the Security Documentation and Paragraph 8 of the Participation Agreement, and, so long as no event of default or event which with the lapse of time and/or demand

provided for in the Security Documentation could constitute an event of default thereunder, shall have occurred and be continuing, any balance shall be paid to the Lessor on the same date such Payment is applied to satisfy such obligations of the Lessor, by check mailed to the Lessor on such date or, upon written request of the Lessor, by bank wire to the Lessor at such address as may be specified to the Vendor in writing, and such balance shall be retained by the Lessor. The Vendor shall notify the Lessor at the address set forth in the Lease (i) of the Vendor's receipt of any rental payment under the first paragraph of § 3 of the Lease and (ii) if the Vendor shall not receive any such rental payment when due; provided, however, that the failure of the Vendor to so notify the Lessor shall not affect the obligations of the Lessor hereunder or under the Security Documentation.

2. This Assignment is executed only as security and, therefore, the execution and delivery of this Assignment shall not subject the Vendor to, or transfer, or pass, or in any way affect or modify the liability of the Lessor under the Lease, it being understood and agreed that notwithstanding this Assignment or any subsequent assignment, all obligations of the Lessor to the Lessee shall be and remain enforceable by the Lessee, its successors and assigns, against, and only against, the Lessor or persons other than the Vendor.

3. The Lessor will faithfully abide by, perform and discharge each and every obligation, covenant and agreement which the Lease provides are to be performed by the Lessor; without the written consent of the Vendor, the Lessor will not anticipate the rents under the Lease or waive, excuse, condone, forgive or in any manner release or discharge the Lessee thereunder of or from the obligations, covenants, conditions and agreements to be performed by the Lessee, including, without limitation, the obligation to pay the rents in the manner and at the time and place specified therein or enter into any agreement amending, modifying or terminating the Lease and the Lessor agrees that any amendment, modification or termination thereof without such consent shall be void.

4. The Lessor does hereby constitute the Vendor the Lessor's true and lawful attorney, irrevocably, with full power (in the name of the Lessor, or otherwise), to ask, require, demand, receive, compound and give acquittance

for any and all Payments due and to become due under or arising out of the Lease to which the Lessor is or may become entitled, to enforce compliance by the Lessee with all the terms and provisions of the Lease, to endorse any checks or other instruments or orders in connection therewith and to file any claims or take any action or institute any proceedings which to the Vendor may seem to be necessary or advisable in the premises.

5. Upon the full discharge and satisfaction of all sums due from the Lessor under the Security Documentation, this Assignment and all rights herein assigned to the Vendor shall terminate, and all estate, right, title and interest of the Vendor in and to the Lease shall revert to the Lessor.

6. The Lessor will pay and discharge any and all claims, liens, charges or security interests (other than those created by the Security Documentation) on the Lease or the rentals or other payments due or to become due thereunder claimed by any party from, through or under the Lessor or the Beneficiary, or its successors and assigns (other than the Vendor), not arising out of the transactions contemplated by the Security Documentation or the Lease (but including tax liens arising out of the receipt of the income and proceeds from the Units) which, if unpaid, might become a claim, lien, charge or security interest on or with respect to the Lease or such rentals or other payments equal or superior to the Vendor's interest therein, unless the Lessor or the Beneficiary shall be contesting the same in good faith by appropriate proceedings in any reasonable manner and the nonpayment thereof does not, in the opinion of the Vendor, adversely affect such interests of the Vendor.

7. The Lessor will, from time to time, execute, acknowledge and deliver any and all further instruments required by law or reasonably requested by the Vendor in order to confirm or further assure the interest of the Vendor hereunder.

8. The Vendor may assign all or any of the rights assigned to it hereby or arising under the Lease, including, without limitation, the right to receive any Payments due or to become due. In the event of any such assignment, any such subsequent or successive assignee or assignees shall, to the extent of such assignment, enjoy all the rights and

privileges and be subject to all the obligations of the Vendor hereunder.

9. This Assignment shall be governed by the laws of the State of Illinois, but the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act. The counterpart of this Assignment delivered to the Vendor shall be deemed to be the original and all other counterparts shall be deemed duplicates thereof.

10. The Lessor shall cause copies of all notices received in connection with the Lease and all Payments hereunder to be promptly delivered or made to the Vendor at its address set forth in Article 20 of the Security Documentation, or at such other address as the Vendor shall designate.

11. The Vendor hereby agrees with the Lessor that the Vendor will not, so long as no event of default under the Security Documentation has occurred and is continuing, exercise or enforce, or seek to exercise or enforce, or avail itself of, any of the rights, powers, privileges, authorizations or benefits which are assigned and transferred by the Lessor to the Vendor by this Assignment to the extent they are for the sole benefit of the Lessor and not required to satisfy the obligations of the Lessor under the Security Documentation, without the prior consent of the Lessor.

12. Notwithstanding any other provision of this Assignment (including, but not limited to, any provision of the first paragraph of Paragraph 1 and Paragraph 3 hereof), (a) so long as there is no event of default under the Security Documentation, and to the extent that the Vendor does not seek to receive and collect any Payments under the Lease in excess of the amounts required to discharge the obligations of the Lessor under the Security Documentation, the terms of this Assignment shall not limit or in any way affect the Lessor's right to receive and collect any Payments under the Lease in excess of the obligations of the Lessor under the Security Documentation or amounts payable under § 16 of the Lease, or empower the Vendor in any way to waive or release the Lessee's obligation to pay the same, and the Lessor shall continue to be empowered to ask, demand, sue for, collect and receive any and all of such excess amounts and amounts payable under § 16 of the Lease, but shall not take any action under subparagraph (b)

of Section 10 of the Lease without the written consent of the Vendor and (b) each and all of the warranties, representations, undertakings and agreements herein made on the part of the Lessor are each and every one of them made and intended not as personal representations, undertakings and agreements by The Connecticut Bank and Trust Company, or for the purpose or with the intention of binding said bank personally but are made and intended for the purpose of binding only the Trust Estate as such term is used in the Trust Agreement, and this Assignment is executed and delivered by the said bank solely in the exercise of the powers expressly conferred upon said bank as trustee under the Trust Agreement, and that no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against said bank, except for wilful misconduct or negligence, or against the Beneficiary under the Trust Agreement (except under the last paragraph of Section 5.01 thereof) or on account of any representation, undertaking or agreement herein of the Lessor or the Beneficiary, either expressed or implied, all such personal liability (except as aforesaid), if any, being expressly waived and released by the Vendor and by all persons claiming by, through or under the Vendor; provided, however, that the Vendor or any person claiming by, through or under it, making claim hereunder, may look to said Trust Estate for satisfaction of the same.

13. This Assignment may be executed in any number of counterparts, all of which together shall constitute a single instrument, but the counterpart delivered to the Vendor shall be deemed to be the original and all other counterparts shall be deemed to be duplicates thereof. It shall not be necessary that any counterpart be signed by both parties so long as each party shall sign at least one counterpart.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed in their respective corporate names by officers thereunto duly authorized, and their respective corporate seals to be affixed and duly attested, all as of the date first above written.

WHEREAS the Vendee is entering into a Conditional Sale Agreement dated as of the date hereof (hereinafter called the Security Documentation) with ACF Industries, Incorporated, and Whittaker Corporation (Berwick Forge & Fabricating Division) (such corporations being hereinafter individually called a Builder and collectively called the Builders), providing for the sale to the Vendee of such units of railroad equipment (hereinafter called the Units) described in Annex B thereto as are delivered to and accepted by the Vendee thereunder;

WHEREAS the Lessor and Chicago and North Western Transportation Company (hereinafter called the Lessee) have entered into a Lease of Railroad Equipment dated as of the date hereof (hereinafter called the Lease), providing for the leasing by the Lessor to the Lessee of the Units; and

WHEREAS, in order to provide security for the obligations of the Lessor under the Security Documentation and as an inducement to the Vendor to invest in the Conditional Sale Indebtedness (as that term is defined in the Security Documentation), the Lessor agrees to assign for security purposes its rights in, to and under the Lease to the Vendor;

NOW, THEREFORE, in consideration of the premises and of the payments to be made and the covenants hereinafter mentioned to be kept and performed, the parties hereto agree as follows:

1. The Lessor hereby assigns, transfers and sets

over unto the Vendor, as collateral security for the payment and performance of the obligations of the Lessor as Vendee under the Security Documentation, all the Lessor's right, title and interest, powers, privileges, and other benefits under the Lease, including, without limitation, the immediate right to receive and collect all rentals, profits and other sums payable to or receivable by the Lessor from the Lessee under or pursuant to the provisions of the Lease whether as rent, casualty payment, indemnity, liquidated damages, or otherwise (such moneys being hereinafter called the Payments), and the right to make all waivers and agreements, to give all notices, consents and releases, to take all action upon the happening of an Event of Default specified in the Lease, and to do any and all other things whatsoever which the Lessor is or may become entitled to do under the Lease; provided, however, that, so long as no Event of Default or event which with lapse of time and/or giving of notice provided for in the Lease could constitute an Event of Default under the Lease shall have occurred and be continuing, and without in any way limiting the right of the Vendor to exercise the rights assigned to it hereunder on its own without the consent of the Vendee, the Vendee shall be entitled to exercise any right of the Lessor under the Lease if the holders of interests totaling more than 50% of the aggregate Conditional Sale Indebtedness then outstanding shall have consented to, and the Vendor shall have been notified by the Vendee or the Beneficiary of, such exercise. In furtherance of the foregoing assignment, the Lessor hereby irrevocably authorizes and empowers the Vendor in its own name, or in the name of its nominee, or in the name of the Lessor or as its attorney, to ask, demand, sue for, collect and receive any and all Payments to which the Lessor is or may become entitled under the Lease, and to enforce compliance by the Lessee with all the terms and provisions thereof. Notwithstanding the foregoing, the Payments shall not be deemed to include, either before or after an Event of Default shall have occurred and be continuing under the Lease, payments made by the Lessee to the Vendee or the Beneficiary pursuant to § 16 of the Lease.

3. The Lessor will faithfully abide by, perform and discharge each and every obligation, covenant and agreement which the Lease provides are to be performed by the Lessor; without the written consent of the Vendor, the Lessor will not anticipate the rents under the Lease or waive, excuse, condone, forgive or in any manner release or discharge the Lessee thereunder of or from the obligations, covenants, conditions and agreements to be performed by the Lessee, including, without limitation, the obligation to pay the rents in the manner and at the time and place specified therein or enter into any agreement amending, modifying or terminating the Lease and the Lessor agrees that any amendment, modification or termination thereof without such consent shall be void.

7. The Lessor will, from time to time, execute, acknowledge and deliver any and all further instruments required by law or reasonably requested by the Vendor in order to confirm or further assure the interest of the Vendor hereunder.

8. The Vendor may assign all or any of the rights assigned to it hereby or arising under the Lease, including, without limitation, the right to receive any Payments due or to become due. In the event of any such assignment, any such subsequent or successive assignee or assignees shall, to the extent of such assignment, enjoy all the rights and

privileges and be subject to all the obligations of the Vendor hereunder.

9. This Assignment shall be governed by the laws of the State of Illinois, but the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act. The counterpart of this Assignment delivered to the Vendor shall be deemed to be the original and all other counterparts shall be deemed duplicates thereof.

10. The Lessor shall cause copies of all notices received in connection with the Lease and all Payments hereunder to be promptly delivered or made to the Vendor at its address set forth in Article 20 of the Security Documentation, or at such other address as the Vendor shall designate.

11. The Vendor hereby agrees with the Lessor that the Vendor will not, so long as no event of default under the Security Documentation has occurred and is continuing, exercise or enforce, or seek to exercise or enforce, or avail itself of, any of the rights, powers, privileges, authorizations or benefits which are assigned and transferred by the Lessor to the Vendor by this Assignment to the extent they are for the sole benefit of the Lessor and not required to satisfy the obligations of the Lessor under the Security Documentation, without the prior consent of the Lessor.

12. Notwithstanding any other provision of this Assignment (including, but not limited to, any provision of the first paragraph of Paragraph 1 and Paragraph 3 hereof), (a) so long as there is no event of default under the Security Documentation, and to the extent that the Vendor does not seek to receive and collect any Payments under the Lease in excess of the amounts required to discharge the obligations of the Lessor under the Security Documentation, the terms of this Assignment shall not limit or in any way affect the Lessor's right to receive and collect any Payments under the Lease in excess of the obligations of the Lessor under the Security Documentation or amounts payable under § 16 of the Lease, or empower the Vendor in any way to waive or release the Lessee's obligation to pay the same, and the Lessor shall continue to be empowered to ask, demand, sue for, collect and receive any and all of such excess amounts and amounts payable under § 16 of the Lease, but shall not take any action under subparagraph (b)

of Section 10 of the Lease without the written consent of the Vendor and (b) each and all of the warranties, representations, undertakings and agreements herein made on the part of the Lessor are each and every one of them made and intended not as personal representations, undertakings and agreements by The Connecticut Bank and Trust Company, or for the purpose or with the intention of binding said bank personally but are made and intended for the purpose of binding only the Trust Estate as such term is used in the Trust Agreement, and this Assignment is executed and delivered by the said bank solely in the exercise of the powers expressly conferred upon said bank as trustee under the Trust Agreement, and that no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against said bank, except for wilful misconduct or negligence, or against the Beneficiary under the Trust Agreement (except under the last paragraph of Section 5.01 thereof) or on account of any representation, undertaking or agreement herein of the Lessor or the Beneficiary, either expressed or implied, all such personal liability (except as aforesaid), if any, being expressly waived and released by the Vendor and by all persons claiming by, through or under the Vendor; provided, however, that the Vendor or any person claiming by, through or under it, making claim hereunder, may look to said Trust Estate for satisfaction of the same.

13. This Assignment may be executed in any number of counterparts, all of which together shall constitute a single instrument, but the counterpart delivered to the Vendor shall be deemed to be the original and all other counterparts shall be deemed to be duplicates thereof. It shall not be necessary that any counterpart be signed by both parties so long as each party shall sign at least one counterpart.
